

Designing Future Realities

OPEN DESIGN STUDIO Project

Date	08. March – 27. June 2021 <ul style="list-style-type: none"> • Feedback Session 1: 19.03.2021 • Feedback Session 2: 14.05.2021 • Individual online tutorials during the semester • Submission and virtual gallery of work: 27.06.2021 	
Campus	Werkstätte Wattens and University of Innsbruck with access to prototyping labs	
Course Description	<p>The Open Design Studio enables participants to transform their concepts and artistic projects into designs and materials using innovative technologies and methods. They gain access to the various laboratories of the University of Innsbruck and the Wattens workshops and reflect on their approaches and implementation strategies together with international experts. They present and communicate their ideas during individual tutorials, joint feedback sessions and a public exhibition / in public space.</p>	
Learning Objectives	<p>Implementation of individual concepts for design projects, spatial installations, urban interventions or other artistic forms. Application of innovative technologies and strategies in design and materialization.</p>	
ECTS	5 ECTS credits
